

## Different ways to have your children create stories

1. Why do Zebras have stripes?

2. Create a story using the following words and give it a title.

(please add words and change tense of words to create your story)

nouns- octopus-ocean-eels-water-sand-shells

adjectives- poisonous-dangerous-smelly-sticky-hard

verbs- swim-slither-hide-bite-fly

adverbs- swiftly-silently-awkwardly-cowardly-mysteriously

3. Use the following words in complete sentences ( these are just individual sentences)

Sun-Ocean-Play-Apple-Pet

4. Write a story about the missing lunch. Give it a title.

5. Finish the story and give it a title.

Flappy the penguin was lost in the zoo. He didn't know what to do. So he asked the lion "Have you seen my family?"

He answered sharply, absolutely not.

If I did they would have been my dinner!

So Flappy wobbled away as fast as he could.....

What happens next?

6. Based on the information below assign homework. Remember it can be a short story, informative paragraph, descriptive paragraph.

Shark attacks are scary. Most sharks eat meat. They like large fish or seals. They do not hunt humans, but attacks do happen. Attacks are very rare. Sharks may bite a person swimming in the ocean. They may think they are eating a seal.

The samples to these six questions are next.
